# HYDROGEN SULPHIDE (H2S) WALLET CERTIFICATE

## TRAINING CERTIFICATE INSTRUCTIONS

**Congratulations** for successfully completing the H2S Safety Awareness Training Course!  
 Please cut out this certificate, fold along the dotted line and keep it with you while working.  
 Print in colour on heavy (thick) stock paper.  
 Laminate your card to protect it from wear and tear and weather.

## ADDITIONAL INFORMATION

Your wallet card displays additional information on the reverse side regarding specific topics that have been covered in this course. Additionally, it contains a space where your employer can confirm that you've received any onsite workplace specific training.
